

'And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart'.

Galatians 6:9

This text states that we should not grow weary while doing good. It has been extremely heart-warming to see the consistent care that members and friends are giving in support of one another within our church and community.

As a church, we have a wider family spreading to other parts of the world. Here is just a reminder of organisations we have a link to and can still support through pray and any other way we feel led.

EDENGATE

There is a much reduced service but those who had been supported before the lockdown have been accommodated in hotels with B and B. The Welsh Government are assisting in this. Edengate is providing packed lunches during the week.

*Pray for the guests

*Pray for the volunteers to return with the same enthusiasm for the work

RISCA FOOD BANK

Although the distribution centre is closed, the work still carries on.

Bethesda is sending a regular donation towards this work.

*Pray that we will still be enthusiastic in our support when the lockdown situation is over.

CAP DEBT RISCA

They have resumed services to new clients and supporting the existing clients with food, advice with bills and supporting where necessary.

*Pray for the continued success of this work where so many families have become debt free.

*Pray for John Pinkstone as manager that he will keep well in his contact with the clients. He does self-distance.

*Pray for those clients who are going through the program of guidance.

VISION OF HOPE

There are eleven young people at the home who are not able to go to their college activities. It is difficult because of the shutdown to have speakers, so the lads take it in turn to give a little talk.

*They ask us to be mindful of them in our prayers.

*They are so grateful for our help and support.

ICE WALES

No activities are taking place at the moment since schools are closed.

*Pray for the staff in the local schools and schools further afield.

*Pray that the schools will still be willing to accept the teams back when they open fully.

*Contact Chris Thomas for any information 01633 662997.

TEARFUND

All at Tearfund Cymru would like us to know that they are praying for us. It is because of our support that they can go where the need is greatest.

*Pray for the administration staff and those working abroad.

*For up to date information and needs go to info@tearfund.org

BMS (Baptist Missionary Society)

They also are praying for us and hope that we know the peace of Christ.

*They would really appreciate it if we would pray for them as they seek to respond to coronavirus and make Jesus known.

OPEN DOORS

These are difficult times for many in the persecuted church. The spread of the virus and the lockdown are both having a devastating effect. In many countries, huge numbers of people have lost their vital income and are desperate for food.

*Pray that the organisers will use their resources wisely.

*Open Doors is grateful for our support and they are upholding us in their prayers.

CARIAD KENYA

Cariad Kenya is supporting the work of Mudzini in Kenya. The schools are closed so all the children are at the home. They are still doing their lessons there.

Food prices have risen dramatically, so feeding such a large number can be difficult.

*Pray for the safety of the staff and children.

*Pray that the plague of locusts will not be too devastating in East Africa.

*For further information contact Geraint and Margaret or go to CARIAD KENYA Facebook.
